Easy to fit

- Sits on top of the mattress
- With no fixtures or fittings, it can be used on any size bed
- One airline connects the Airflo to the Pillowlift. Press one button to inflate

Improves wellbeing

- Stable and comfortable, a person can choose to be lifted on their back or side
- The Sit-u-Up sits on top of the mattress enabling it to be fitted to any bed and causes no disturbance to a second person in double bed
- Minimises moving and handling risks so reducing the risk of musculoskeletal injury for the carer
- Its portable and lightweight which means it can be rolled up for travelling

Safe to use

- Includes a structured backrest ideal for those who need extra support
- Stable and compact
- Quilt provides comfort and support
- Inflation and deflation can be stopped at any time, allowing freedom to choose the most comfortable position
- Anti-slip pillow holder

Simple to maintain

- Lightweight and portable, the Sit-u-Up separates into two parts
- For a routine clean, sponge clean with a detergent solution and dry thoroughly
- The covers can be machined washed
- Spare covers can be purchased
